ABOUT ME

Radical intersectional feminist, artist, gender activist, strategist, writer, thinker, actor, teacher, healer, lifelong learner, visionary, revolutionary, catalyst, truth-seeker, storyteller, dream-weaver, bridge-builder, cat-herder, organiser, activator, mensch.

A lover of life committed to the realisation of a world that works for everyone. Trained as an actor, the human condition remains an enduring interest. I am concerned with the recognition of our common humanity and our consequent potential for evolution as a species. As such, my interest extends to any matters that affect people.
